REASONS FOR ALLOWANCE

Response to Arguments

Applicant's arguments, see page 4 of 6, filed June 27, 2005, with respect to the rejections of claims 1-22 have been fully considered and are persuasive. The rejections under 35 U.S.C 102(b) and 103(a) of claims 1-22 have been withdrawn.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or reasonably suggest a method for determining, in vivo, a myocardial tissue displacement based at least in part on a sensed potential and diagnosing a cardiac condition, or determining a cardiac therapy, based at least in part on the displacement, in combination with the other elements in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
